**To the holders of ordinary shares in
Moneysupermarket.com Group PLC ('Company')**

Notice of Annual General Meeting

Dear Shareholder,

I am pleased to be writing to you with the details of our thirteenth Annual General Meeting ('AGM') which will be held at 10.00am on Thursday 13 May 2021 at 1 Dean Street, London W1D 3RB. The formal notice of AGM is set out on pages 6 to 8 of this document.

The purpose of this letter is to explain certain elements of the business to be considered at the AGM.

In view of the COVID-19 pandemic, only the minimum number of Directors and essential personnel will attend the AGM in person in order to ensure that a quorum is present and to conduct the formal business of the AGM. Your vote is important to us and we encourage all shareholders to vote by submitting a proxy in advance of the AGM. To ensure that your vote counts, shareholders should only appoint the Chair of the AGM (and not any name individual) to act as their proxy.

Shareholders can submit questions for the Board in advance of the AGM to companysecretary@moneysupermarket.com. The Board will respond to all questions submitted prior to 5pm on Friday 7 May 2021 via an Audiocast meeting. A registration link to the Audiocast meeting will be available from 3pm on Thursday 13 May 2021 on <http://corporate.moneysupermarket.com>.

Resolutions 15, 16, 17, 19 and 20 will be proposed as special resolutions and will be passed if at least 75% of the votes cast (not counting votes withheld) are in favour. The remaining resolutions are being proposed as ordinary resolutions and will be passed if more than 50% of the votes cast (not counting votes withheld) are in favour.

To receive the Annual Report and Accounts (Resolution 1)

The Chair will present the Annual Report and Accounts for the year ended 31 December 2020 to the AGM.

Directors' Remuneration Report (Resolution 2)

The Directors' Remuneration Report contains:

- a statement by James Bilefield, Chair of the Company's Remuneration Committee;
- the annual report on remuneration, which sets out payments made in the financial year ending 31 December 2020; and
- details of the Remuneration Committee's activities.

The Directors' Remuneration Report is set out in full in the Annual Report on pages 91 to 106. The Company's auditor, KPMG LLP, has audited those parts of the Remuneration Report which are required to be audited and their report is set out in the 2020 Annual Report and Accounts.

Resolution 2 is an ordinary resolution to approve the Directors' Remuneration Report, other than the part containing the summary of the Directors' remuneration policy. Resolution 2 is an advisory resolution and does not affect the future remuneration paid to any Director.

At the 2020 AGM, the Directors' remuneration policy was approved by shareholders. The Directors' remuneration policy is not therefore required to be approved at this year's AGM. The policy will be put to shareholders again no later than the Company's AGM in 2023.

Final dividend (Resolution 3)

A final dividend of 8.61 pence per ordinary share for the year ended 31 December 2020 is recommended for payment by the Directors. If shareholders approve the recommended final dividend, it will be paid on 20 May 2021 to all ordinary shareholders who were on the register of members at the close of business on 9 April 2021.

Re-election of Directors (Resolutions 4 to 11)

Resolutions 4 to 9 deal with the election or re-election of the Directors in accordance with the requirements of the UK Corporate Governance Code. The UK Corporate Governance Code provides for all directors to be subject to election or re-election by their shareholders every year. In keeping with the Board's aim of following best corporate governance practice, each member of the Board is standing for election or re-election by shareholders at this year's AGM. Biographies of each of the Directors seeking election or re-election can be found in Appendix 1 together with the reasons why their contributions are, and continue to be, important to the Company's long-term sustainable success.

The Board has also considered whether each of the Independent Non-Executive Directors is free from any relationship that could materially interfere with the exercise of his or her judgment and has determined that each continues to be considered to be independent.

Re-appointment of auditor and auditor's remuneration (Resolutions 12 and 13)

The Board approved the Audit Committee's recommendation to put a resolution to shareholders recommending the re-appointment of KPMG LLP as the Company's auditor and confirms that (1) the recommendation is free from influence by a third party and (2) no contractual term of the kind mentioned in Article 16(6) of the EU Regulation 537/2014 has been imposed on the Company. Consequently, Resolution 12 relates to the re-appointment of KPMG LLP as the Company's auditor to hold office until the next AGM of the Company and Resolution 13 authorises the Audit Committee to determine their remuneration.

Allotment of share capital (Resolution 14)

Resolution 14 deals with the Directors' authority to allot shares.

At the last AGM of the Company held on 7 May 2020, the Directors were given authority to allot ordinary shares in the capital of the Company up to a maximum nominal amount of £71,478 representing approximately 66.6% of the Company's then issued ordinary share capital (excluding treasury shares). This authority expires at the end of this year's AGM. Resolution 14 will, if passed, renew this authority to allot on broadly the same terms as last year's resolution.

The Investment Association ('IA') guidelines on directors' authority to allot shares state that IA members will regard as routine resolutions seeking authority to allot shares representing up to two-thirds of the Company's issued share capital, provided that any amount in excess of one-third of the Company's issued share capital is only used to allot shares pursuant to a fully pre-emptive rights issue.

In light of these guidelines, the Board considers it appropriate that Directors be granted authority to allot shares in the capital of the Company up to a maximum nominal amount of £71,490 representing the IA guideline limit of approximately 66.6% of the Company's issued ordinary share capital (excluding treasury shares) as at 15 February 2021 (the latest practicable date prior to publication of this document). Of this amount 178,725,000 shares (representing approximately 33.3% of the Company's issued ordinary share capital (excluding treasury shares) can only be allotted pursuant to a rights issue. This authority will expire at the end of the next AGM of the Company or, if earlier, on 12 August 2022.

The Directors have no present intention of allotting new ordinary shares other than in relation to the Company's employee share schemes. However, the Directors consider it appropriate to maintain the flexibility that this authority provides.

As at 15 February 2021 (the latest practicable date prior to publication of this document), the Company does not hold any ordinary shares in the capital of the Company in treasury.

Disapplication of statutory pre-emption rights (Resolutions 15 and 16)

Resolutions 15 and 16 will give the Directors authority to allot ordinary shares in the capital of the Company pursuant to the authority granted under Resolution 14 above for cash without complying with the pre-emption rights in the Companies Act 2006 ('2006 Act') in certain circumstances.

This disapplication authority is in line with institutional shareholder guidance, and in particular with the Pre-Emption Group's Statement of Principles (the '**Pre-Emption Principles**'). The Pre-Emption Principles were revised in March 2015 to allow the authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer to include: (i) an authority over five per cent. of a company's issued share capital for use on an unrestricted basis; and (ii) an additional authority over a further five per cent. of a company's issued share capital for use in connection with an acquisition or specified capital investment announced contemporaneously with the issue, or has taken place in the six month period preceding the announcement of the issue.

Resolution 15 will permit the Directors to allot: (a) equity securities for cash and to sell treasury shares up to a nominal amount of £71,490, representing approximately two-thirds of the Company's issued share capital as at 15 February 2021 (the latest practicable date prior to publication of this document) on an offer to existing shareholders on a pre-emptive basis (that is including a rights issue or an open offer), with one-third being available only in connection with a rights issue (in each case subject to any adjustments, such as for fractional entitlements and overseas shareholders, as the Directors see fit); and

(b) equity securities for cash and to sell treasury shares up to a maximum nominal value of £5,367, representing approximately 5% of the issued ordinary share capital of the Company as at 15 February 2021 (the latest practicable date prior to publication of this document) otherwise than in connection with a pre-emptive offer to existing shareholders.

Resolution 16 will permit the Directors to allot additional equity securities for cash and sell treasury shares up to a maximum nominal value of £5,367, representing approximately a further 5% of the issued ordinary share capital of the Company as at 15 February 2021 (the latest practicable date prior to publication of this document), otherwise than in connection with a pre-emptive offer to existing shareholders for the purposes of financing or refinancing a transaction as contemplated by the Pre-Emption Principles described above.

The Board considers that it is in the best interests of the Company and its shareholders generally that the Company should seek the maximum authority permitted by the Pre-Emption Principles and have the flexibility conferred by Resolutions 14 and 15 to conduct a pre-emptive offering without complying with the strict

Annual General Meeting continued

requirements of the statutory pre-emption provisions and to finance business opportunities quickly and efficiently when they arise in line with the Company's strategy for growth.

The Directors believe that it is appropriate to seek this additional 5% authority in Resolution 16 to give the Company the flexibility that this resolution affords.

The Board confirms that, in accordance with the Pre-Emption Principles, it does not intend to issue shares for cash representing more than 7.5% of the Company's issued ordinary share capital in any rolling three-year period to those who are not existing shareholders (save in accordance with Resolution 16) without prior consultation with shareholders.

As noted in relation to Resolution 14 above, the Directors have no current intention of issuing ordinary shares other than in relation to the Company's employee share schemes.

The authority contained in Resolutions 15 and 16 will expire upon the expiry of the authority to allot shares conferred in Resolution 14 (that is at the end of the next AGM of the Company or, if earlier, on 12 August 2022).

Authority to purchase own shares (Resolution 17)

Resolution 17 gives the Company authority to buy back its own ordinary shares in the market as permitted by the 2006 Act. The authority limits the number of shares that could be purchased to a maximum of 53,670,000 (representing approximately 10% of the issued ordinary share capital of the Company (excluding treasury shares) as at 15 February 2021 (the latest practicable date prior to publication of this document)) and sets minimum and maximum prices. This authority will expire at the end of the next AGM of the Company or, if earlier, on 12 August 2022.

Listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. No dividends are paid on shares while they are held in treasury and no voting rights attach to treasury shares.

If Resolution 17 is passed at the AGM, it is the Company's current intention to cancel the shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the Directors will need to reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided it is permitted to do so.

As at 15 February 2021 (the latest practicable date prior to publication of this document), there were 4,245,694 warrants and options to subscribe for ordinary shares in the capital of the Company representing 0.79% of the Company's issued share capital (excluding treasury shares). If the authority to purchase the Company's ordinary shares being sought in Resolution 17 and the

existing authority to purchase ordinary shares taken at last year's AGM (which expires at the end of this year's AGM) were to be exercised in full, these warrants and options would represent 0.99% of the issued share capital of the Company (excluding treasury shares).

Political donations (Resolution 18)

Resolution 18 deals with political donations. Under the 2006 Act, political donations to any political parties, independent election candidates or political organisations or the incurring of political expenditure are prohibited unless authorised by shareholders in advance. What constitutes a political donation, a political party, a political organisation, or political expenditure is not easy to decide, as the legislation is capable of wide interpretation. Sponsorship, subscriptions, payment of expenses, paid leave for employees fulfilling public duties and support for bodies representing the business community in policy review or reform, may fall within this.

Therefore, notwithstanding that the Company has not made a political donation in the past, and has no intention either now or in the future of making any political donation or incurring any political expenditure in respect of any political party, political organisation or independent election candidate, the Board has decided to put forward Resolution 18 to renew the authority granted by shareholders at the last AGM of the Company. This will allow the Company to continue to support the community and put forward its views to wider business and Government entities without running the risk of being in inadvertent breach of the law. As permitted under the 2006 Act, Resolution 18 also covers any political donations made, or political expenditure incurred, by any subsidiaries of the Company. This authority will expire at the end of the next AGM of the Company or, if earlier, on 12 August 2022.

Length of notice of meeting (Resolution 19)

Resolution 19 is a resolution to allow the Company to hold general meetings (other than AGMs) on 14 days' notice.

The minimum notice period for general meetings of listed companies is 21 days, but companies may reduce this period to 14 days (other than for AGMs) provided that two conditions are met. The first condition is that the company offers a facility for shareholders to vote by electronic means. This condition is met if the company offers a facility, accessible to all shareholders, to appoint a proxy by means of a website. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 days to 14 days.

The Board is therefore proposing Resolution 19 as a special resolution to approve 14 days as the minimum period of notice for all general meetings of the Company other than AGMs. The approval will be effective until the end of the Company's next AGM, when it is intended that the approval be renewed. The Board will consider on a case by case basis whether the use of the flexibility

offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time sensitive and whether it is thought to be to the advantage of shareholders as a whole.

Articles of Association (Resolution 20)

Resolution 20 is to authorise the adoption of new articles of association to reflect changes to company law and market practice, the principal changes of which are set out in Appendix 2. In addition, a marked-up version of the new articles of association is available on our website at corporate.moneysupermarket.com

Yours faithfully

Robin Freestone
Chair

Appendix 2

Summary of the principal changes to the Company's articles of association

It is proposed that the Company adopt new articles of association (the 'New Articles') in place of the current articles of association (the 'Current Articles') which were adopted in 2010. The principal changes in the New Articles are summarised below. They are intended to reflect developments in market practice, certain legal and regulatory changes and provide additional flexibility where this is considered appropriate. In addition, the Company has taken the opportunity to incorporate amendments of a more minor, technical or clarifying nature which are not summarised below. These seek to modernise the language in the document, remove provisions in the Current Articles which duplicate English company law, and clarify how certain provisions should operate.

Share certificates

The New Articles (Article 12) confirm that share certificates are sent at the member's risk.

Forfeiture of shares

The New Articles contain additional detail in relation to the procedures for the sale of shares forfeited because a call on amounts unpaid on those shares remain unpaid (Article 25).

Transmission of shares

The provisions in relation to transmission of shares in the New Articles clarify, amongst other things, that persons receiving shares by transmission shall only have the rights of a shareholder after the relevant transferee gives notice of their entitlement to the Company (Article 37).

Disclosure of interests

The New Articles clarify that, in the event that a shareholder fails to comply with a section 793 notice, the sanctions continue to apply to the relevant shares after they are transferred. The New Articles also extend the circumstances in which a person will have failed to comply with a section 793 notice to include circumstances where the Company knows (or has reasonable cause to believe) that information provided in response to a section 793 notice is incorrect or incomplete (Article 38).

Untraced members

The process of selling shares belonging to shareholders who remain untraced for over 12 years has been modernised in the New Articles (Article 39) to bring them more in line with current market practice. The changes include removing the requirement for notices in relation to untraced shareholders to be published in a national newspaper (notices must still be sent to the registered address or last known address of the shareholder). The Company is also required to use reasonable steps to trace the untraced shareholder, for example, using a professional asset reunification company or other tracing agent.

Amendments have also been made to the process of the sale of shares of untraced members. The obligation to obtain the "best price reasonably obtainable" for such shares has been deleted in the New Articles, and proceeds of sale of the share(s) will be forfeited by the former shareholder, with no further right to claim the proceeds.

Various consequential amendments have been made to the New Articles to reflect the above changes.

General meetings

The New Articles provide that the Company may hold 'hybrid' general meetings (including annual general meetings) in such a way that enables members to attend and participate in the business of the meeting by attending a physical location or by attending by means of an electronic facility (Article 45). Voting at hybrid meetings will, by default, be decided on a poll. Hybrid meetings may be adjourned in the event of a technological failure. The directors consider it prudent to obtain the flexibility to hold hybrid meetings. The provision does not permit virtual-only or electronic-only general meetings to be convened.

A number of clarifying changes have also been made to the provision in relation to satellite/multi-venue meetings (Article 53). The New Articles include a new power for the directors to postpone a meeting after notice of that meeting has been sent but before the meeting is held (Article 44). This power is intended to provide flexibility in the event of difficulties arising prior to the meeting being held, for example, if there are issues in relation to the meeting venue or facilities.

The provisions in relation to adjourning a general meeting in the New Articles have also been updated to clarify that the same meeting may be adjourned more than once (Article 54).

A number of other modernising or consequential amendments have been made to the provisions in the New Articles in relation to general meetings.

Proxies and corporate representatives

The New Articles provide that where two or more valid appointments of proxy are received in respect of the same share or shares, the last to be received by the Company shall revoke the first to be received (Article 70).

Directors of the Company

In line with the requirements of the UK Corporate Governance Code, the New Articles require directors to retire and seek re-election at each annual general meeting of the Company (Article 82). This reflects existing Company practice.

The provisions in relation to the termination of a director's appointment have also been modernised, in particular to reflect changes in law (Article 86).

The provisions in relation to directors' remuneration and expenses (Article 97) have been amended to clarify their operation in practice. Directors' remuneration will continue to be paid in accordance with the directors' remuneration policy most recently approved by shareholders.

A number of other more minor and consequential amendments have been made to the New Articles in relation to director appointments, alternate directors and directors' conflict of interests.

Proceedings of directors

A number of modernising changes have been made in the New Articles in relation to directors' decision making (Articles 101 to 107).

Dividends

The New Articles give the Board greater flexibility to determine the appropriate method(s) by which it pays dividends to shareholders (Article 114). This flexibility will help the Board take account of developments in market practice and keep down the administrative cost of making payments. The New Articles also provide that where a payment cannot be made because a shareholder has not provided valid account details or an address to the Company, that amount will be treated as unclaimed until the shareholder provides those details (Article 115). In such an event: (i) no trust will arise in relation to such sums; and (ii) no interest will need to be paid on such sums.

The provisions relating to scrip dividends have generally been updated, including to provide greater flexibility for the directors to determine the terms and conditions of elections to receive scrip dividends (Article 118).

Notices and other communications

Changes are proposed to modernise and clarify the articles relating to service of notices or documents by the Company (Articles 122 to 128).

Administration

For flexibility, the New Articles provide for the appointment of joint, deputy and assistant company secretaries (Article 133). The New Articles also explicitly confirm the directors' and secretary's power to authenticate and certify board minutes and other corporate authorisations (Article 136).
